GENERAL APPAREL MEASUREMENTS

Taking Proper Measurements

Sleeve
With the elbow bent and hand flat at the hip, have someone measure starting from the center of the lower neck, around the shoulder, around the elbow, and ending at the wrist.

Chest
Take the measurement under the armpits around the fullest part of the chest.

Beltline
Take the waist measurement where the belt is normally worn. Measure loosely with one finger between the body and measuring tape.

Inseam
Take the measurement from the crotch of the pants down to the point of the ankle where the pant legs should end.

IMPORTANT NOTE

All garments sized 4XL and larger are non-stock items. Please call for availability and lead times.

Coats, Cape Sleeves, Coveralls

First size by measuring chest and sleeve. An additional fee applies for sizes 2XL and above.
